3. After you login, there will be a place for you to click on cheerleading payments
4. Once there, you will be able to plug in the exact amount that you want to pay with a credit card. Put the total amount under clothes.

If you are paying all or part with a money order or cash:

If paying with cash or money order – make sure the money is in a sealed envelope with the Cheerleader/East Guard/Mascot's name on it and the amount enclosed.
